

Pastor Brandon Moore began ministry at a young age, as a long time member of St. James A.M.E Church in Pearson, Georgia where he served faithfully under the leadership of Reverend Fred Kelly. Pastor Moore accepted his call to ministry on March 18, 2004. Upon acceptance of his call into ministry, Pastor Moore began a life of successful ministry for the Lord which has afforded him favor in many areas.

Pastor Moore hearkened unto the divine inspiration of the Holy Spirit, and embarked upon the journey of Pastoral Leadership in 2011 and opened the doors to Divine Purpose Ministries. Pastoral leadership was accompanied by great obstacles, which Pastor Moore believed were strategic prompts from The Lord. On September 26, 2015 Pastor Moore entered Holy Matrimony with Lady Kwinetta Murray Moore of Hinesville, Georgia and the two of them continued the work of ministry collaboratively. In 2018, Pastor Brandon & his family transitioned from Jesup, GA and planted a new ministry in the Tifton, GA area: Fervent City Church, which launched in December 2019, and God has grown the ministry exponentially with ready and committed disciples.

In addition to pastoral ministry, Pastor Brandon is known across the country for his transformational and impactful prophetic ministry. Through his prophetic ministry, countless lives have been changed. Pastor Brandon has expanded his prophetic ministry through educational and spiritual teachings designed to equip and prepare others who are called to the prophetic office.

Currently, Pastor Moore has two children- Brayden and Landon, and is submitted to Bishop John E. Guns of Jacksonville, FL. Currently Pastor Moore is working diligently with his team at Fervent City to continue to expand the discipleship work within the city of Tifton, GA and beyond, and establish an authentic culture of prayer, worship, and revival.
